### **National Maritime Services Names Alan Swimmer President**

*Veteran company manager takes on expanded role*

FORT LAUDERDALE, FL, August 12, 2010 – G. Robert Toney, chairman of Toney Capital Holdings, recently announced the promotion of a key executive. Alan Swimmer has been promoted from his position as director to president of National Maritime Services, a comprehensive vessel arrest custodial service. He will continue to act as president of Maritime Capital Group, a marine finance, insurance and titling company.

In his expanded role, Swimmer will have full operating responsibility over National Maritime Services. Swimmer is Toney's longtime business associate, and he brings 25 years of experience in management, marine lending and finance to his new position. He will continue to report to Toney, chairman of both companies.

“Alan's combination of financial expertise and executive management skills are invaluable to this company,” says Toney. “These traits will allow him to further the success of National Maritime Services and to continue the growth of Maritime Capital Group. His leadership will help guide both companies in the right direction.”

Toney Capital Holdings is an integrated marine recovery, transport, maintenance, financing and remarketing enterprise. The company is comprised of National Liquidators, National Maritime Services and MariTech Services, and also has interests in a marine finance business, Maritime Capital Group. Toney Capital Holding's distinctive business model is unmatched in the industry, offering comprehensive custodial service, a wide selection of boat inventory, on-site professional security, high average resale values, vessel maintenance, and financial and licensing services.
